MEMORANDUM TO: Deputy Director, CIA

SUBJECT: Publications Produced by ORE Available for Exchange
[REDACTED] 25X1C

REFERENCE: Memorandum from Assistant Director, ORE to Deputy
Director, CIG, dated 11 August 1947, Same Subject
as Above.

1. Reference contained the views of this Office with regard to
the broad question of exchange of ORE publications [REDACTED]
and with specific regard to reports then in existence.

25X1C

2. The comments contained therein are in general still valid.
The following specific comments re reports not considered suitable
for exchange are furnished to cover those published since the date
of reference memorandum.

<u>Publication</u>	<u>Reason</u>	
ORE 39 - Significant Considerations Regarding the Disposition of the Italian African Colonies	Too closely related to policy matters. Also bibliography listed in Enclosure "D" should be deleted if copy is furnished [REDACTED]	25X1C
ORE 48 - The Current Situation in Iran	[REDACTED] 25X6 Near East. Possibly tells too much about U. S. direction of Iranian affairs.	
ORE 49 - Current Situation in Palestine	[REDACTED]	25X1C

SECRET

- 2 -

25X6

ORE 51 - Current Situation
in Greece

disclose facts about AMAG
policies and intentions.

ORE 53 - Current Situation
in Spain

Enclosure "A" shows dissent by
State Department and views on
Franco.

SR 6 - Iran

25X6

3. The general question is raised with regard to all Situation Reports as to whether any clearance should be obtained from the CIA agencies before passing them on as a great deal of material, such as the 'Military Situation' comes from them. This is particularly true of SR 1, Turkey, as was noted in paragraph 3 of the reference.

4.

a. Enclosure No. 1 contains one copy of each report published to date and considered suitable for exchange with the possible exception of those reports referred to in paragraph 3 above.

25X1C

b. Enclosure No. 2 contains one copy of each report published to date and considered unsuitable for exchange for the reasons stated in paragraph 3 of reference above and paragraph 2 of this memorandum.
